Do you have a particular project or idea that you think would improve Highworth for everyone?

Can you fit that project or idea into one or more of the above categories?

If the answer to both questions is yes, then please share it briefly at the meeting and we will look at ways that it can be achieved, including ways in which funding might be found and identifying other residents who may be interested in supporting you.

Do not worry if you haven't a clear idea yet, we will try to match you up with like minded thinkers.

This session will take about an hour
